FRIDAY & SATURDAY

Company auditions will be held in late September or early October with rehearsals 3 weekends per month thereafter. Inter/Senior dancers will rehearse on Tuesdays and/or Thursdays to minimize Saturday rehearsals. Fridays will only be used as needed. Company participation involves competitive level and civic performance opportunities for students who demonstrate sufficient technique, discipline, and development. Students who are interested should speak to the director. Please note: Friday rehearsals may be scheduled to accommodate choreography, usually involving solos, duet/trios, Novice company or run-throughs for scheduled dance competitions.

PLEASE NOTE: Depending upon enrollment and the skill level of dancers enrolled, some classes may be combined, added, or instructors may be added resulting in schedule adjustments. Every effort will be made to maintain the times listed above.
