Dance Artistry by Sonya Leigh: **THE DANCE COMPANY**

Company auditions will be held in late September or early October with rehearsals 3 weekends per month thereafter. Inter/Senior dancers will rehearse on Tuesdays and/or Thursdays to minimize Saturday rehearsals where possible to accommodate employment schedules. Company participation involves competitive level and civic performance opportunities for students who demonstrate sufficient technique, discipline, and development. Students who are interested should speak to the director. Please note: Friday rehearsals may occasionally be scheduled to accommodate choreography, usually involving solos, duet/trios, Novice company or run-throughs for scheduled dance competitions.

Registration Fee... \$15.00/dancer; maximum \$50.00 per immediate family

Discounts: Please note that DAUI's Combination Class structure provides a built-in discount for each additional class if you register your dancer for the year, instead of paying the per-class rate of \$20.00/hour. However, families with three or more dancers enrolled will receive a small discount for the additional siblings. The system is set up to apply this discount upon enrollment. Please note that this discount does not apply to adult classes.
