

DANCE ARTISTRY UNLIMITED

Danceartistry@aol.com

DAUI is typically closed on all VBCPS weather-related closings, and early release days, but occasionally increased weather cancellations interrupt our dance season more than usual and make it difficult to ensure that each class receives the minimum of 30 classes per year. Please refer to the schedule below for the DAUI 2024-2025 closing information. As always, make up days and times are NOT offered for national holidays, Thanksgiving week, VBCPS Christmas vacation, and Spring Break. To offset potential snow days, we will NOT observe some of the early release and teacher work days on the VBCPS closing calendar. **This means each level has 5-6 additional lessons built into this season's schedule and we will not need to make up snow days (virtual or traditional) unless cancellations for weather exceed 5-6 days at each class level.** If we do not have any snow days then an additional teacher or early release day *may* be observed in March, April or May. Please note that tuition is never pro-rated because those of you on the *Ten-Month Contract* pay a discounted tuition fee that equates to only three lessons per month, (thus the 30-class minimum) although you typically receive four classes per month. In addition, *you are not charged extra* on months that contain five lessons to further balance out holiday and weather closings. If you selected the *Per Lesson Contract (PLC)*, you have chosen to pay the \$20.00 per hour rate for all lessons received in any given month (typically a minimum of 36 lessons per dance season). This includes payment for all classes, as well as instruction and critique provided during technical and dress rehearsals in June. PLCs who choose to pay for the entire month at the onset of each month, will receive a credit if class is cancelled due to inclement weather.

Lastly, if the studio is unexpectedly closed due to weather conditions or a family emergency on the part of the director, closing information will be emailed and posted on FaceBook (@danceartistryunlimited) as soon as possible. If a class exceeds five to six canceled days due to weather or an emergency, make up days and times will be emailed home and provided on our DAUI Google calendar in your DancePortal account. All closing dates listed below can be found as a download on the studio website *and are listed on your DP account.*

Tuition & Related Payments

Tuition is always due on the 1st day of each month, even when the 1st occurs on a weekend.

NEW! Payments made in person, during operating hours, after the 5th of any month are assessed a \$15.00 late fee. Online payments are accepted until 11:59PM on the 5th before a late fee is assessed. Do not leave payments in the studio mailbox; pay online or in person. Amounts left unpaid for 45 days will be assessed an additional late fee and classes will be suspended for the dancer(s) until payment is received.

There is a \$35.00 fee for all returned checks and your subsequent payment and fees must be made by cash, money order, or credit card on file. **To avoid this all accounts must have a credit card on file no later than October 31st, as a backup payment option. Please consider registering for Autopay to avoid late fees!**

Please note that June tuition and outstanding amounts **must be paid in full before** costumes are distributed (usually the last week of May). Please plan accordingly. Costumes will be withheld until payment is provided.

All credit card payments will incur a 5% convenience fee per transaction.
